Preview Album and DVD Copies

Extra copies of your Preview Album and DVD are available to pass around to your family and friends. **Preview Albums are £75 per volume and DVDs are £15 each.**

Publication in the Newspaper

If you'd like to announce your wedding and have your picture published in a paper please let us know. Papers have strict guidelines as to the type of image they will print and usually request quite a lot of information about the couple. We are unable to guarantee if or when it will be published, however there is no charge.

Images on CD

Low resolution disk of all your images, suitable for emailing or uploading to the internet, £75. High resolution version, £200. Please note these files are not enhanced or adjusted ready for printing.

Other Products

The images chosen for your main album, book or prints will be enhanced and adjusted to look their best. These images can then also be used in the following additional products:

Edited DVD and iPod/MP4 Movie

Rather than having to watch every single image on your Preview DVD, why not edit it down to the best bits with your favourite music? Available in widescreen or standard format for display on any TV; it is supplied with a separate low resolution movie file that can be played on any compatible iPod, mobile phone or other multimedia player. You can also email the file to your friends and family or upload it to your website, uTube, Facebook etc. **Only £75 including individually designed case, extra copies £15. To order, please state your choice of images, image(s) for the cover, title and TV format.**

Internet

Have your pictures displayed on the internet where you and your guests can view them and order prints direct. This is especially useful for any guests who are unable to get to see your album. To see examples of this, visit www.timstewart.co.uk and follow the link to 'view pictures from your event.' Pictures ordered over the internet have quicker delivery times and are usually cheaper for small orders. **This service is free of charge for images already ordered; for additional images please add £2 per image.**

These mini versions of your main album or book make are ideal for parents or presents for special guests. Pictures and prices will be available soon.
