After Your Wedding

We aim to have your Preview Album & DVD ready for when you return from your honeymoon. Use these to choose your favourite photographs then decide how you'd like to present them. There's a wide range of albums, books and printing options to choose from and don't forget, your package includes a value towards the cost:

Prints

Images are printed onto professional, fade-resistant, traditional photographic paper. They can be printed lustre, glossy, metallic or even onto canvas. Any image can be enhanced with effects or borders. They can be printed any shape or size and prices start from only £4.00 each for 9x6 inch prints.

Albums

We offer a wide range of albums. Prices start at £200 for a leather album including 24 8x6 inch prints or £300 for a choice of handmade albums with 24 8x8 inch prints. Mini versions of any album ordered are available from £50, ideal for gifts.

Designer Book

A novel way to present your photographs and tell the story of your day. The cover and each page is individually designed with images and text. You can have as much input into the design as you wish.
